Parking:

There is NO off street parking for the club. Your best bet is to double-park in front of the club to unload, and then move your vehicle to a spot somewhere on the block.

If you have a tour bus, and advance EARLY, we can probably secure, from the city, a few spots on front of the club.

Merchandise:

You can set up merch in the front entryway, on the left (no merch person provided), or on a table in front of the FOH console. **Artist keeps 100% of merch sales.**

Dressing Room:

There is one green room provided in the back left corner of the club.

Food:

There is no food provided at the club, but, there are a number of great eatery's of every level, within walking distance.
